BBQ60G shown

**Recommended with the:**

**BBQ36G** - This is gas fired. 30 lb. tank will do approx. 12 hrs. 2 burners on high.

Meadow Creek Welding uses only food grade T-304 stainless steel in the fabrication of parts identified as "stainless steel" that will contact food under normal use. This includes, but is not limited to: Grates, racks, shelving, work surfaces and complete units constructed primarily of stainless steel and sold using that description.
